SKILLS

- React
- Python
- Next JS
- Django
- JavaScript
- HTML
- Git/GitHub
- CSS
- Bootstrap
- SQL

EDUCATION

NASHVILLE SOFTWARE SCHOOL

Full Stack Web Development

UNIVERSITY OF ALABAMA AT BIRMINGHAM

Music Technology

PROJECTS

The Soap Dish is a single page CRUD app built with a React/NextJS front end, and Python/Django back end that allows soapers to create, share, and save favorite soap recipes. TSD uses Bootstrap for both desktop and mobile responsive design.

SUMMARY

Software Developer with 1+ years experience in Web Development seeking to transition from careers in Music, Home Remodeling, and Home Inspection.

TECHNICAL EXPERIENCE

NASHVILLE SOFTWARE SCHOOL September 2022 - Present Junior Web Developer / Junior Instructor

NSS is a software development bootcamp focusing on HTML, CSS, Javascript, React, Next.JS and server-side fundamentals with Python and Django.

- Single page application with an emphasis on ES6+ and modular design
- Version Control using Git and Github
- Design planning with entity diagrams, wireframing, and dependency diagrams
- Utilized vanilla JS (ES6) and React.js to create single page dynamic web applications using full CRUD functionality
- Styled applications using CSS, Bootstrap, and SCSS
- Completed several group projects while fully remote, comfortable with Slack, Zoom, GitHub Projects, and wireframes for group communication and collaboration

PROFESSIONAL EXPERIENCE

840 INSPECTIONS January 2020 - May 2023

Home Inspector

- Helped grow the company to be a multi-inspector firm
- Responsible for gaining and maintaining relationships with real estate agents and clients
- Work remotely from home and in the field with minimal supervision
- Responsible for continuous research on related topics and systems.
- Self-guided research at home and in the field while minimizing the need to reach out to the office.
- Managed other inspectors in the field.
- Write reports with same-day delivery to clients in a relatable manner

PROFESSIONAL MUSICIAN 2003 - 2020

Various

- Built several projects from the ground up, and saw them through to a highly-professional level (Grammy nominated, song placements in media including HBO and film).
- Multi-Instrumentalist on over 50 recordings, 5 Grammy nominated, 1 Grammy awarded.
- Taught students of all ages at several music camps, and individual lessons
- Produced recordings for several artists
- Tour manager, including advance work and road managing
- Composed material and organized rehearsals
- Cofounded a Music Festival where I booked/managed a stage
